

 loopwheels carbon

Extra carbon
Extra confidence
Extra control

With 12% more carbon* you can go steadier
and stronger than ever before

loopwheels.com

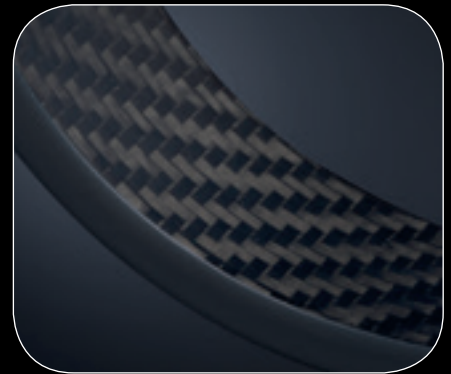

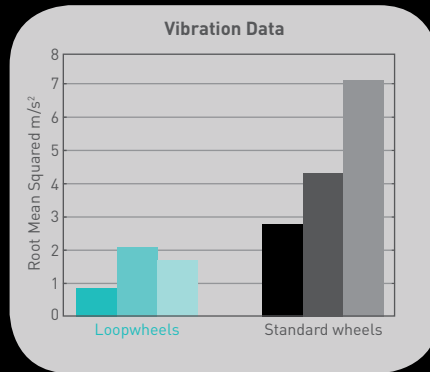

Our innovative Loopwheel technology now with **extra carbon**

Loopwheels reduce vibrations by **up to 70%**.

Now with **12% extra** hi-tech carbon*,
it's easier to get around and turn, which means
a more stable, comfortable ride.

To learn how Loopwheels can make the difference, visit

loopwheels.com

*Extra layer of carbon creates more lateral stability per spring than standard Loopwheels
